Payout Partner Services Agreement

This Payout Partner Services Agreement (the Agreement) is made on 18 September 2026 between the parties named below. It governs the payout of consumer remittances in Mexico on behalf of the Bank.

Parties: (1) the Bank, a United States national bank acting through its Payments unit (the Bank); and (2) Remesas del Norte S.A., a sociedad anonima organised under the laws of Mexico, with its registered office in Monterrey, Nuevo Leon (the Partner).

Background: the Bank intends to offer consumer remittances from the United States to Mexico. The Partner provides payout services in Mexico and already supplies payment services to the Bank in the United States. The parties wish to record the terms on which the Partner will pay out the Bank's remittances.

The parties agree as follows. Capitalised terms are defined in section 1. Headings are for convenience only and do not affect the meaning of this Agreement. A reference to a section is to a section of this Agreement.

§1 Definitions and interpretation

§1.1 In this Agreement: Business Day means a day other than a Saturday, a Sunday or a public holiday in New York or in Mexico City; Corridor means payouts from the United States to Mexico; Payout means the credit of funds to a Beneficiary in accordance with a Payout Instruction; and Services means the services described in section 2.

§1.2 Beneficiary means an individual in Mexico named in a Payout Instruction. Payout Instruction means an instruction from the Bank to pay a stated amount to a Beneficiary, sent through the interface agreed under section 6. Settlement Currency has the meaning given in section 4.

§1.3 Applicable Law means the laws and regulations that apply to a party or to the Services, including those on anti-money laundering, counter-terrorist financing, sanctions, data protection and consumer protection. Each reference to a law includes that law as amended from time to time.

§1.4 The words including and in particular do not limit the words that come before them. A reference to writing includes email. If there is a conflict between the sections of this Agreement and a schedule, the sections prevail.

§2 The Services

§2.1 The Partner shall pay out each Payout Instruction it accepts to the Beneficiary named in it, promptly and in any event by the end of the Business Day after receipt, and shall confirm each Payout to the Bank in the form agreed.

§2.2 The Partner shall not accept a Payout Instruction that is incomplete, that names a Beneficiary the Partner cannot verify, or that the Partner reasonably believes would breach Applicable Law, and shall tell the Bank promptly if it rejects one.

§3 Standards of performance

§3.1 The Partner shall perform the Services with reasonable skill and care, using suitably qualified personnel, and in accordance with Applicable Law and the Bank's written policies that are provided to it from time to time.

§4 Settlement and fees

§4.1 The Settlement Currency is Mexican pesos (MXN). The Bank shall fund each Payout in advance by transferring the equivalent amount to the Partner's settlement account in accordance with section 4.3.

§4.2 The exchange rate applied to each Payout is the rate quoted to the customer at the time of the transfer. The Partner shall not apply any additional margin to that rate and shall give the Bank a daily report of rates and amounts applied.

§4.3 The Bank shall maintain a prefunded balance with the Partner sufficient to cover expected Payouts for the next Business Day. The Partner shall tell the Bank promptly if the balance falls below the agreed minimum and may suspend Payouts until it is restored.

§4.4 The Bank shall pay the Partner the fees set out in Schedule 2 within thirty days of receiving a correct invoice. Fees are fixed for the first twelve months and may then be reviewed once in each year by agreement.

§4.5 The parties shall reconcile Payouts and settlement balances each Business Day. Any difference that is not resolved within two Business Days shall be escalated to the relationship managers named in Schedule 1.

§4.6 Each party is responsible for its own taxes. Fees are exclusive of any value added or similar tax, which the Bank shall pay where it is properly due on the Services.

§5 Payout methods

§5.1 The Partner shall pay out each remittance solely by credit to a bank account held by the Beneficiary at a Mexican bank (bank deposit). Cash pickup, mobile wallet payout and home delivery are not within the scope of the Services.

§5.2 The Partner shall verify that the account named in a Payout Instruction exists and is held in the name of the Beneficiary before it credits the funds, and shall return the funds to the Bank if verification fails.

§5.3 A change to the payout methods in this section requires a written amendment signed by both parties and the Bank's prior completion of its internal change assessment.

§6 Systems and security

§6.1 The parties shall exchange Payout Instructions, confirmations and reports through the secure interface described in Schedule 3. Each party is responsible for the security of its own systems and shall notify the other promptly of any incident that affects the Services.

§6.2 The Partner shall keep access to the interface and to Beneficiary data limited to personnel who need it for the Services, shall log that access and shall make the logs available to the Bank on request.

§7 Service levels and reporting

§7.1 The Partner shall complete at least 99 percent of accepted Payouts by the end of the Business Day after receipt, and shall report its performance against that level to the Bank each month.

§7.2 The Partner shall report exceptions to the Bank daily, including returned Payouts, rejected instructions and any Payout delayed beyond the agreed period, and shall provide a monthly summary of volumes by value band.

§8 Confidentiality and data protection

§8.1 Each party shall keep the other's confidential information secret and use it only for the purposes of this Agreement, except where disclosure is required by law or by a regulator.

§8.2 The Partner shall process personal data of customers and Beneficiaries only to provide the Services, shall protect it with appropriate technical and organisational measures and shall not transfer it outside Mexico or the United States without the Bank's written consent.

§9 Anti-money laundering, sanctions screening and audit rights

§9.1 This section sets out the Partner's anti-money laundering, sanctions screening and audit obligations under this Agreement. They apply in addition to Applicable Law and continue for as long as the Partner holds Beneficiary data.

§9.2 The Partner shall maintain a written anti-money laundering program that is appropriate to its size and the Corridor, shall review it at least annually and shall give the Bank a copy on request.

§9.3 The Partner shall screen each Beneficiary and each Payout against applicable sanctions lists before it makes a Payout, shall not make a Payout that matches a list without the Bank's written clearance and shall tell the Bank promptly of any match.

§9.4 The Partner shall tell the Bank promptly of any suspicious activity connected with the Services, to the extent the law allows, and shall cooperate with the Bank's reasonable requests for information to meet the Bank's own reporting duties.

§9.5 The Bank, its auditors and its regulators may audit the Partner's records, systems and premises that relate to the Services, on reasonable notice and at least once in each year. The Partner shall cooperate and shall correct any finding within the period the Bank reasonably sets.

§9.6 The Partner shall keep records of each Payout, each screening result and each report made under this section for at least five years after the Payout, and shall make them available to the Bank or a regulator on request.

§10 Term and termination

§10.1 This Agreement starts on the date it is signed and continues for three years unless it is ended earlier under this section. It renews for successive periods of one year unless a party gives ninety days' notice not to renew.

§10.2 Either party may end this Agreement immediately by written notice if the other commits a material breach that it fails to remedy within thirty days of notice, or becomes insolvent.

§10.3 The Bank may suspend Payouts or end this Agreement immediately if the Partner breaches section 9, if a regulator so requires, or if the Bank reasonably believes that continuing would breach Applicable Law.

§11 Liability

§11.1 Nothing in this Agreement limits liability that cannot be limited by law. Subject to that, each party's total liability to the other in any year is limited to the fees paid or payable in that year, except for the Partner's liability for funds it has received and not paid out.

§12 Governing law and disputes

§12.1 This Agreement is governed by the laws of the State of New York. The parties shall first try to resolve any dispute through their relationship managers and then through senior management before starting proceedings.

§13 General

§13.1 This Agreement, with its schedules, is the whole agreement between the parties on its subject. A change to it must be in writing and signed by both parties. A party may not assign it without the other's written consent.
